

TOLPAKAN™ 7-POINT ABUNDANCE ASSESSMENT

If you're not manifesting what you want just yet, what is it because of? Here are the major categories. Divine Muscle Test or Dowse the percentages out of 100%. If the % is over 100%, there are probably overlaps in the categories (which is fine). If it is a lot under 100% you may need a 1:1 session to figure out the rest, but most people fall into these 7 categories:

1. _____ % due to low vibrational blocks and imbalances that still need to clear
2. _____ % due to positive morphic fields and blueprints that are needed
3. _____ % due to Universal timing (patience required)
4. _____ % due to misalignment with Divine Path
5. _____ % due to abundance challenges you still need to experience
6. _____ % due to unclear Vision (your end game)
7. _____ % due Other - additional information you need to know
